

METAL / METAL- ALLOYS

- STANDARDS FOR INSPECTION CERTIFICATES TYPE 3.1 ACC. TO DIN EN 10204-

To each delivery an inspection certificate type 3.1 in accordance with DIN EN 10204:2005 as a pdf- file has to be enclosed, which must be sent before the real material supply to the OTTO FUCHS KG. The layout of the pdf- file should not be modified without the OTTO FUCHS- approval, to allow an automatic reading of the material data.

The pdf-file has to be sent to the following e-mail address:

SupplierCertificate@Otto-Fuchs.com

This PDF- file has to be marked as follows:

For further questions, information and/or clarification do not hesitate to contact us.
